

CARECRUITS

CALIFORNIA RECRUITS

NOW HIRING SPORTS SPECIFIC RECRUITING COACHES
Football, Basketball, Baseball, Volleyball, Golf, Softball, and More

Sports Recruiting Coach (All Sports)
***work from home opportunity (remote)**

If you have any experience in college athletics, athletic coaching, personal growth, business coaching or online marketing, this is a plus.

Job Details

A recruiting coach maintains and manages accounts of student-athlete clients of CARECRUITS, helps student-athletes reach milestones in the recruiting process, and ensures that proper progress is being made for all student-athletes under his or her direction. A recruiting coach is also well versed in the recruiting process and current on recruiting regulations. A strong desire to guide student-athletes through the recruiting process will be required.

Responsibilities:

- Assist Carecruits student-athletes in all aspects of the recruiting process
- Monitor student-athletes progress and program participation
- Evaluate student-athletes and match them with college programs
- Host both personal and group educational classes on timely recruiting topics
- Conduct extensive phone outreach to connect with members of the Carecruits Network
- Coach Carecruits student-athletes/families as needed

- Answer emails regarding recruiting related questions
- Help student-athletes/families understand the steps they need to take to maximize the recruiting process
- Retain clients
- Maintain a high satisfaction level amongst clients
- Generate client referrals and referral revenue
- Create and maintain a positive, productive team orientated department
